

Bagel Schmagel.

Bagels aren't just bread, they're breakfast. We make our bagels like other bakeries make their ciabatta. Each bagel goes through an extensive fermentation process to draw out maximum flavor.

They are a simple bread that doesn't require anything more than 5 basic ingredients, so we make sure we don't use anything but:

- \* Unbleached Unbromated Flour
- \* Water
- \* Salt
- \* Yeast
- \* Malt
